

Quality & Food Safety Policy

At Equichem, quality is an integral part of our business principles and practices. These principles guide our actions to deliver products and services that are safe, compliant and preferred by our customers. They are essential for the achievement of our ambition to be recognized and trusted as a leader in manufacturing specialty ingredients for the food and beverage industries. At Equichem, our commitment is to never compromise on the safety, compliance and quality of our products and services. This requires everybody to be engaged, to understand their responsibility in achieving our quality objectives and to be empowered to act in order to protect our customers and our name.

Our Quality Policy summarizes the essential elements of our commitment for excellence and includes:

- Fostering a quality culture with the objective of developing, manufacturing and providing products and services with zero defects that are trusted and preferred by our consumers and deliver on our promise,
- Complying with relevant laws and regulations as well as internal requirements,
- Continuously challenging ourselves to improve the quality management system to guarantee food safety, prevent quality incidents and eliminate defects through the review of quality objectives and results,
- Encouraging participation and promotion of quality responsibilities amongst all employees and third parties through standards, education, training and coaching, supervision and effective communication.

At Equichem, we implement the Quality Policy through the application of our Quality Management System. teamwork, engagement, ownership and support by everyone are vital for achieving our quality objectives. In this context, we are committed to providing the required leadership, management and resources and we will ensure that the Quality Policy is reviewed annually and communicated to all employees and third parties.
